Dear Mr. Manley;

Today I sent you a telegram stating that the park in Tarboro, sixteen miles away, is available for our use on August 29th. The Park here in Rocky Mount cannot be used by Colored People at any time. Immediately I contacted officials in Tarboro about the use of their park. The Park there is as good as the one here having a spacious park with a grand stand, bleachers, grassy infield and outfield and lighting second to none in the Coastal Plain League (of which Tarboro is a member).

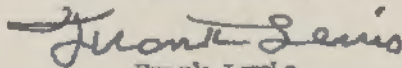

Mail your advertising matter to me and I will do the advertising for you and will assure you that the game played in Tarboro will draw just as large a crowd as it would here in Rocky Mount. With my handling the matter of advertising everything will be all right.

Please let me hear from you at once because there are people here want to see the game played in Tarboro, both white and colored. Every one is anxious to see the game.

Write or wire me the terms such as rental of the park, etc.

I will consider it a personal favor if you will give this matter your very prompt and immediate attention.

Yours truly,

Frank Lewis
